Subject: Application for a short-stay Schengen visa (family visit) – Youssef El Amrani

Dear Sir or Madam,

I am applying for a single-entry short-stay Schengen visa to visit my sister in Madrid for 22 days, from 3 to 24 July 2027.

1. Purpose of the trip and my sister
My sister, Samira El Amrani, is a Moroccan national like me. She has lived in Madrid since 2018 on a long-term residence permit. She is expecting her first child, due on 12 July 2027, as the enclosed medical certificate states. I will arrive nine days before that date and stay twelve days after it, to help her. The enclosed civil-status documents show that we are brother and sister.

2. Accommodation and costs
As she writes in her personal letter, Samira will host me at her home in Madrid for the whole stay and will pay for my meals; her payslips, bank statements and the official carta de invitación she signed are enclosed. I will pay my flights and my other expenses myself; my bank statements for the past three months are enclosed. Any medical costs are covered by my travel medical insurance.

3. Work and ties in Morocco
Since 2019 I have run a clothing shop in the Maârif district of Casablanca, entered in the commercial register; an extract is enclosed. The shop will stay closed while I am away.

4. Return to Morocco
I will return to Casablanca on 24 July 2027, the date of the return flight in my reservation, and will reopen my shop on 25 July 2027.

Yours faithfully,

Youssef El Amrani
